### Our Mission

Building the capacity of education professionals to provide disadvantaged children with a high quality education.

## Our Membership

The National Association of ESEA State Program Administrators (NAESPA) is a membership organization made up of State education agency administrators charged with managing their state's federal education programs as those listed below:

Title I, Part C-Education of Migratory Children

Title I, Part D-Neglected & Delinguent

Title II, Part A-Supporting Effective Instruction

Title III, Part A-English Learners & Immigrant Education

Title IV, Part A-Student Support & Academic Enrichment

## Our Programs

The National Association of ESEA State Program Administrators provides a range of information and professional development services to its members and to the ESEA federal education program community at large. Revenue from membership dues, conference registrations, sponsorships, and video subscriptions all contribute to the overall budget that allows the Association to operate.

#### **Government Relations**

The Washington DC education law firm of Brustein & Manasevit keeps members updated on Congressional and U.S. Department of Education activity that affects the federal education programs via blog posts, webinars, and special members-only alerts.

### **National Distinguished Schools**

Since 1996, the Association has annually honored up to two schools per state for exemplary progress. Schools qualify under one of three categories:

- Exceptional student performance for two or more years
- · Closing the achievement gap between student groups
- Excellence in serving special populations of students

## **On Demand Video**

With hundreds of options covering a range of ESEA federal education topics, this online video-based professional development programming is an alwaysavailable solution for group learning environments.

#### **National ESEA Conference**

Held in late January or early February in various locations, this major annual event provides professional development opportunities for thousands of ESEA program practitioners at all levels.

### **Collaboration with Other Organizations**

Working together with other education associations, the National Association of ESEA State Program Administrators undertakes a wide range of projects focused on the needs of disadvantaged children.

Title I, Part A-Improving Basic Programs Operated by LEAs Title IV, Part B-21st Century Community Learning Centers Title V, Part B-Rural Education Initiative (REAP/SRSA) Title VI, Part A-Indian, Native Hawaiian & Alaska Native Education Title VII, Part B-McKinney-Vento, Education for Homeless Children & Youth, Students in Foster Care

## Membership Structure

Membership in the Association is open to any individual working within a state's department of education who is involved in managing their state's federal education programs. Federal programs are required to coordinate and collaborate to maximize effectiveness and impact on achievement. The Association is dedicated to improving and implementing federal education programs so state education personnel are better equipped to prepare more children reach their academic potential.

# **Membership Dues**

#### \$299 annually

- Payment of dues provides membership for one individual representing their state agency for a period of 365 days.
- Memberships "belong" to the state agency and may be transferred to another authorized individual at no cost during the active period, as necessary to accommodate staffing changes.
