The National ESEA Conference is an annual project of the National Association of ESEA State Program Administrators (NAESPA) and the only conference focused entirely on federal education programs for disadvantaged students. The Conference emphasizes the critical nature of doing what’s right and what’s needed today - to help every child succeed and achieve at high levels.

While Title I, Part A is the largest federally-funded program focused on the needs of disadvantaged students, the Elementary and Secondary Education Act (ESEA) offers a host of other related programs. Taken together, they provide more than $40 billion in annual aid to local education agencies in order that all children can meet challenging state academic standards. ESEA and other significant federal education programs include:

- **Title I, Part A** - Education for the Disadvantaged
- **Title I, Part C** - Education of Migratory Children
- **Title I, Part D** - Neglected & Delinquent
- **Title II, Part A** - Supporting Effective Instruction
- **Title III, Part A** - English Learners & Immigrant Education
- **Title IV, Part A** - 21st Century Community Learning Centers
- **Title IV, Part B** - Rural Education Initiative
- **Title VI, Part A** - Indian, Native Hawaiian, and Alaska Native Education
- **Title VII, Part A** - Education for Homeless Children and Youth (McKinney-Vento Homeless Assistance Act)
- **IDEA** - Individuals with Disabilities Education Act (Special Education)

The 2021 National ESEA Conference Planning Committee invites all education experts, researchers, authors, and successful practitioners with information of interest to the ESEA audience to submit a presentation proposal. As appropriate, proposal submitters will be asked to explain the connection(s) between the content of their proposal and its applicability to one or more of the federal education programs listed above.

**PRESENTER BENEFITS**
- Recognition as an education expert
- Connection with new audiences
- Complimentary full conference registration for each accepted presenter (maximum four) - a $599 value
- Access to your presentation video, (and all other session videos) via On Demand, for a 12-month period

**NOTE:** While we consider face-to-face interaction to be an irreplaceable component of the Conference and would never seek to eliminate it unless absolutely necessary, our highest priority is the health and safety of our presenters, attendees, exhibitors and staff. We continue to monitor the COVID-19 situation, and will rely on the guidance of public health officials regarding necessary planning adjustments as the Conference nears.

Given the general uncertainty, we are exploring virtual presentation options to complement or, if necessary, replace the in-person portion of this event. Consequently, presenters whose proposals are selected for inclusion in the Conference must be willing and available to present via an online video-conferencing platform, as necessary and as specified by show management.
CONFERENCE THEME

EDUCATING FOR TOMORROW

The goal of education is to prepare young people to meet the challenges that lie ahead. Through our history, American education has prepared students for agrarian, industrial, and service-oriented economies. What about now? How do we as educators (parents, families, teachers, administrators, and communities) prepare our students to navigate life after school (for college, career, military, etc.)? What about now—when our needs are changing faster than we can adapt? Our charge is to educate all students to ensure their success for tomorrow, but...

What about now? With the onslaught of the COVID-19 pandemic, tomorrow is today, the future is now. Never before has the need for technology, innovation, and creativity been greater than it is in the current hour.

Join the National Association of ESEA State Program Administrators for our 2021 Conference in Boston, MA, to explore how to engage 21st Century students in a 21st Century education to prepare them for the road that lies ahead.

Session topics should be of interest to the greater federal education programs community and fit with this year’s Conference theme.

All sessions are grouped into three overarching categories:

INSTRUCTION, LEADERSHIP & POLICY

Within the three categories listed above, topics of interest to the Conference Committee include:

- Academic Standards and Assessment
- College Readiness
- Cultural Diversity
- Data-driven Decision-making
- Differentiated Instruction
- Early Childhood Education
- Effective Leaders
- Elementary Education
- English Learners
- Equitable Services to Private Schools
- ESEA Success Stories
- Evidenced-based Practices
- Parent, Family, and Community Engagement
- Legislative, Regulatory, and Fiscal Issues
- Mathematics
- Multi-tiered Systems of Support
- Neuroscience
- Professional Learning
- Program Implementation and Evaluation
- Reading and Writing
- School Climate and Culture
- School Improvement
- Secondary Education
- Special Education
- STEM
- Well-rounded Education

The session schedule is developed to maintain diversity and balance of session topics throughout the Conference.

Date and time assignments are made for the benefit of the overall schedule and are not negotiable.
SESSION VIDEOS
All sessions at the National ESEA Conference, without exception, are recorded for after-conference use as part of the Video On Demand video streaming service through www.ESEAnetwork.org. Each presenter will receive complimentary access to all Conference session videos through On Demand, for a 12-month period. Copies of downloadable presentation videos are available for purchase at $250 each.

PRESENTER ACCEPTANCE
Each presenter in a proposal selected for the Conference must agree to the official Presenter Terms & Conditions (see page 7) which contains all formal aspects of their presentation.

SCHEDULING
Presentations will be scheduled for the overall benefit of the Conference and, if selected, presenters must be willing and available to present at the date and time assigned to them.

NON PROMOTIONAL PRESENTER REQUIREMENT
If this proposal includes any presenters who work for organizations that offer products or services to the ESEA market, the proposal will be automatically rejected. Presenters in these circumstances may ONLY be included on proposals submitted through the promotional proposal process. If this proposal includes promotionally-related presenters – even if the subject matter is not commercial – please contact the office at 800-256-6452 to have this submission withdrawn so you may create it in the appropriate category.

AUDIENCE
Attendees at the National ESEA Conference represent many different federal programs perspectives, and the Conference Committee selects sessions to appeal to each group in rough correlation to the average percentage of attendees in each demographic shown below:

- BUILDING LEADERS (25-35%) - principals, federal programs site coordinators
- CLASSROOM LEADERS (10-12%) - teachers, instructional coaches, resource teachers, paraprofessionals
- STATE LEADERS (5-7%) - state federal programs directors, state superintendents or assistant superintendents
- OTHER LEADERS (2-3%) - researchers, foundation program leaders, nonprofit administrators, teacher education faculty
- DISTRICT LEADERS (45-50%) - superintendents, curriculum directors, federal programs coordinators, special education specialists, school board members
You’ll be asked to provide the following information for each proposal:

**PROPOSED PRESENTATION CHARACTERISTICS**

- Describe the concept for your presentation, including the relevance for this Conference (max 1,000 characters.)
- Select session type: Lecture or Workshop. (See page 2 for descriptions.)
- Describe why your proposal is best suited for lecture or workshop delivery.
- Which Conference category (instruction, leadership, or policy) does your proposed session address?
- Select the topic (from the list of 26) that best describes the focus of your proposed session. You may choose one additional focus topic if appropriate, though doing so does not increase your chances of acceptance.
- Select all federal education title programs that apply. (See page 1 for title descriptions)
- Explain the research base and data used.
- Identify the specific successful federally funded school(s) and/or district(s) highlighted in your session, if applicable.

**SESSION DETAILS**

Details needed if your proposal is accepted:

- **Presentation title** (max 90 characters)
  - do not include “Educating for Tomorrow” in your title (included in online listings. See examples page 8)
- **Presentation description** (max 1,000 characters)
  - should motivate people to attend (included in online listings. See examples page 8)
- **Presenter Introductions** (max 1000 characters)
  - brief description of each presenter (used onsite by the Session Host to introduce your presentation team to the audience)
- **Contact Information**
  - provide the website or email address attendees may use to obtain more information after the Conference
  - include your social media handle: Twitter, Instagram, and/or Facebook
- **Carefully review audio-visual inclusions** (listed on page 2)

**PROPOSED PRESENTERS**

Each session may have up to four presenters. Each presenter included on a proposal must have a fully completed free user account on the ESEA Network website. Proposals including presenters without a user account will be automatically rejected. All of the fields below must be completed for each presenter.

- Name, Title, Organization
- Mailing Address, Phone, Email, Social Media Handles
- Presenter Expertise on this Topic (max 300 characters) - included in the online presenter listings if your session is selected
- Recent Presentation Experience – list conference, year, session title
- Speaking Reference – name, phone, and email of someone with direct knowledge of your presentation skills
- Photo – high resolution (.jpg) for use online – close-up, head shots are most effective
- Honorarium Requested – most presenters are not paid, but requests will be reviewed on a case-by-case basis

**COMPLETING YOUR PROPOSAL**

- Use the buttons throughout the proposal submission process to review, revise, and save your information.
- You may return at a later time to complete the information if you wish. Access the unfinished proposal through the Conference section of your Dashboard when logged in to your account on ESEAnetwork.org.
- Carefully proofread your proposal before submitting. Proposals should be well-written with accurate spelling, punctuation, and grammar.
- When your proposal is complete, click the “Submit Proposal” button to add it to those considered by the Conference Committee. Once a proposal is submitted, changes are not permitted without Committee approval.
- Proposals are graded by the Conference Committee based solely on the information provided through this submission process. The Committee’s selection decision is final. No contact with Committee members outside of this submission process is permitted.

**ALL PROPOSALS TO BE CONSIDERED BY THE COMMITTEE MUST BE SUBMITTED NO LATER THAN 5:00 PM EASTERN DAYLIGHT TIME ON JUNE 22, 2020**

**LATE PROPOSALS ARE NOT ACCEPTED - NO EXCEPTIONS**
All proposals submitted will be reviewed by a committee of federal education programs professionals from across the country in a highly competitive two-part process during July and August; typically, less than 25% of proposal submissions are selected. Decisions are based on an averaged proposal score from multiple committee graders, as well as a balance of critical topic areas. Selection as a presenter in a prior year does not help or hinder your chances of selection.

**GRADING CRITERIA - MULTIPLE COMMITTEE MEMBERS WILL GRADE EACH PROPOSAL USING THIS SCORING METHOD:**

- Proposal focuses on a key area of interest for Conference attendees, aligns with the Conference theme, Educating for Tomorrow, by including timely and meaningful content. (0-10 points)
- Proposal highlights specific successful federally funded schools or districts. (0-10 points)
- Research base listed is appropriate for the topic. (0-10 points)
- Content is appropriate for the identified audience. (0-5 points)
- Presenter(s) has relevant expertise and speaking experience for this topic. (0-10 points)
- Proposal has a descriptive title, clearly stated purpose, provides correct information and thorough content, incorporates findings (where applicable) and implications for the field, and uses appropriate citations. (0-10 points)
- Bonus points available at the discretion of the grader based on exceptional ideas, including applicability across ESEA programs and/or to the Conference theme: Education for Tomorrow, or the overall quality of the application submission. (0-10 points)

**NOTIFICATIONS ON SEPTEMBER 8, 2020**

On Tuesday, September 8, Conference management staff will send email notifications in two categories:

- To applicants and individual presenters whose sessions have been provisionally accepted, with instructions for converting the presentation from "provisional" to "accepted."
- To applicants whose sessions have been declined.

**CHANGING YOUR PRESENTATION'S STATUS FROM PROVISIONAL TO ACCEPTED**

Presenters with a “provisional” session will be asked to review and agree to the official Terms & Conditions. Each presenter listed on a proposal must agree to the Terms & Conditions by Friday, September 25th for the proposal to be “accepted.” If the required documentation is not received by the due date, the proposal will be declined and a back-up proposal will be moved to “provisional” status.

<tbody>
<tr>
<td><strong>DO</strong> Begin your proposal early.</td>
<td><strong>DON'T</strong> Wait until the last minute.</td>
</tr>
<tr>
<td><strong>DO</strong> Craft your responses to the proposal questions offline and edit until you are happy with the results.</td>
<td><strong>DON'T</strong> Submit “off the top of your head” language in this highly competitive process.</td>
</tr>
<tr>
<td><strong>DO</strong> Convert any offline work to a simple text editor format before pasting into the proposal fields.</td>
<td><strong>DON'T</strong> Paste directly from Microsoft Word as it can add “hidden” characters that may translate strangely or add to the character count once submitted.</td>
</tr>
<tr>
<td><strong>DO</strong> Pay close attention to the character limits identified, continuing to edit until within the requirement.</td>
<td><strong>DON'T</strong> Use abbreviations or acronyms, as graders may not understand your intent.</td>
</tr>
<tr>
<td><strong>DO</strong> Carefully review the audiences and topics of interest and select appropriately.</td>
<td><strong>DON'T</strong> Select the broadest audience or the most topic areas, as this will not increase your chances of acceptance.</td>

Developing Mathematical Thinking at the Primary Level in Title I Schools

Thursday February 8, 2018
11:30 AM - 12:30 PM
Room 103

This presentation will document the successful transformation of multiple under-performing Title One schools at the primary level. There is a critical need for early identification of students who are experiencing difficulties in mathematics and, then, the provision of immediate and targeted intervention in order to build foundational skills and knowledge. In this session, I will demonstrate the Primary Mathematics Assessment to screen K-2 students at the beginning and middle of the year on six predictive domains, which allowed us to work with teachers on providing specific curricular tasks to improve student learning across these domains.

Presenters

Jonathan Brendefur

Dr. Brendefur has been the principal investigator on grants totaling over $16 million in the last fifteen years all of which examined the teaching and learning of mathematics in Title I schools. He has published in more than a dozen peer-reviewed research journals and has been featured as a speaker on the topic of mathematics education in states from each region of the country.
