"The Conference was absolutely transformational to me as an educator. It is my third year in Title I, and I cannot express enough how much the various presenters allowed me to fit things into the National Title I landscape, and to see how different states and districts are responding to the COVID-19 pandemic. I am so inspired!! It far surpassed all of my expectations."

# What is the ESEA Conference?

The National ESEA Conference is an annual project of the National Association of ESEA State Program Administrators (NAESPA) and the only conference focused entirely on federal education programs for disadvantaged students. The Conference emphasizes the critical nature of doing what's right and what's needed today - to help every child succeed and achieve at high levels.

While Title I, Part A is the largest federally-funded program focused on the needs of disadvantaged students, the Elementary and Secondary Education Act (ESEA) offers a host of other related programs. ESEA provides more than \$27 billion in annual aid to local education agencies so that all children can meet challenging state academic standards. In 2021 the Elementary and Secondary School Emergency Relief Fund (ESSER) provided an unprecedented \$1.9 trillion dollars in additional federal assistance. ESEA and other significant federal education programs include:

- **Title I, Part A** - Education for the Disadvantaged
- **Title I, Part C** - Education of Migratory Children
- **Title I, Part D** - Neglected & Delinquent
- **Title II, Part A** - Supporting Effective Instruction
- **Title III, Part A** - English Learners & Immigrant Education
- **Title IV, Part A** - Student Support & Academic Enrichment
- **Title IV, Part B** - 21st Century Community Learning Centers
- **Title V, Part B** - Rural Education Initiative
- **Title VI, Part A** - Indian, Native Hawaiian, and Alaska Native Education
- **Title VII, Part B** - McKinney-Vento Homeless Assistance Act, Education for Homeless Children and Youth
- **IDEA** - Individuals with Disabilities Act (Special Education)

# Welcome!

## A Hybrid Approach

We hope you will join us in Indianapolis. If travel restrictions, cost or other factors prevent you from attending the Conference in person, don't worry – you can still be a part of the action! We are pleased to offer a virtual registration option allowing you to participate in live sessions, access the same great content, and interact with your colleagues.

## We Heard You!

The 2022 Conference was the first hybrid iteration of the National ESEA Conference, and we are always looking for ways to improve what we offer. In light of feedback received, we are implementing changes for 2023 – aimed specifically at bettering the Conference experience for our virtual attendees.

Lectures will be available in real time for all attendees, virtual and in-person, while workshops will take on a different format. We're still working out all the details, but we aim to offer virtual-only workshops led by virtual presenters so they may better engage with those joining remotely. In-person workshops will be limited to in-person engagement in the moment. Both in-person and virtual workshops will be available for viewing at a later time by all attendees.

## Health and Safety

The health and safety of our attendees, presenters, and exhibitors are of the utmost importance, and any COVID-19 precautions in place during the event will be adhered to and taken seriously. We look forward to seeing you there!

The Indiana Convention Center has achieved [GBAC STAR™ accreditation](#) through the Global BioRisk Advisory Council, which certifies that the facility is implementing the industry's highest standards of cleaning, disinfection, and infectious disease prevention and is the leading standard of prepared facilities. The latest health and safety plan of the Indiana Convention Center is [available here](#).

## Hotel Pricing

The National ESEA Conference contracts with several local hotels to ensure the best possible rates.

Hotel rooms are charged at a flat rate. All locally mandated taxes and fees have been paid in advance by the Conference and are itemized on invoices for transparency. Attendees are offered the same flat rates on hotel reservations, regardless of tax-exempt status.

## Policies

All reservations are made via the event section of your account Dashboard and require payment in full, in advance. In-person registration is required prior to securing a hotel reservation. Hotels will not sell rooms directly to attendees within the conference block nor at the conference rates. Refunds are available on cancelled hotel reservations in accordance with the same sliding-scale refund policy as registration items. A reduction in the number of nights of a hotel reservation is considered a cancellation, and the same refund scale is applied to the cost of each reduced night of the stay.

## Can I Change My Registration Type?

Maybe you planned to attend in-person in Indianapolis and suddenly travel is no longer an option, or you bought a virtual registration but have decided to go to Indianapolis...not to worry. In-person and virtual registrations may be exchanged, at no cost, from in-person to virtual or vice-versa, at any time. ## Attendee Terms & Conditions (continued)

### Group Purchases

Upon receipt of payment in full, a unique coupon code will be sent to the email address on file for the user account under which the purchase was made. This coupon will be valid for the number of registrations purchased and should be entered at checkout by each group member to claim one of the available registrations. Registrations may be activated at any time and must be claimed by January 20, 2023. Once a group registration has been purchased, additional discounted registrations can be added at any time through November 30, 2022. Registrations purchased at a group rate are subject to the same substitution, cancellation, and refund policies as all other registration types. Eligible refunds will be calculated based on the number of individual registrations cancelled, the number of claimed registrations, the date of receipt of the cancellation request, and the sliding-scale refund policy. It is the responsibility of the purchaser to ensure that the individual registrations are shared with the appropriate attendees. Unclaimed registrations are not eligible for refunds. Cancellation and refund requests must be submitted by the individual that made the initial purchase. Substitution requests must be submitted by individuals that have claimed registrations within the group.

### Cancellations

Cancellations may be made at any time by submitting a cancellation request form, found in the attendee Dashboard. Telephone cancellations are not accepted.

### Refunds

All items canceled by attendees may be eligible for a refund, based on the date of receipt of the completed cancellation form. Reducing nights of a hotel reservation is a cancellation of each reduced night and is subject to the same sliding-scale refund policy, as shown below

Cancellation Received	Amount Refunded
Within 7 days of purchase	100% Refund
June 1, 2022 - October 3, 2022	90% Refund
October 4, 2022 - November 3, 2022	75% Refund
November 4, 2022 - December 3, 2022	50% Refund
December 4, 2022 - February 4, 2023	No Refund

*No exceptions are made to the refund policy including in the case of weather, travel delays, illness or family emergencies, or unexpected work obligations. Travel insurance is strongly recommended to protect your investment.*

### Virtual Event Conversion if Necessary

In-person interaction is an almost irreplaceable component of the attendee experience, and as such Show Management prioritizes maintaining opportunities for direct engagement at the Conference in Indianapolis. However, should public health guidance make such interaction unfeasible or unsafe, adjustment or elimination of the in-person event may become necessary. The health and safety of attendees, presenters, exhibitors, and staff is our highest priority, and Show Management reserves the right and sole discretion to switch to an entirely virtual event and if necessary, change the online platform at any time in the best interest of the Conference. By purchasing an in-person registration, attendees agree that should Show Management determine that circumstances require a shift to an entirely virtual conference, their registration will be automatically converted to a virtual registration of equal or greater value (as determined by Show Management). In such a case, the standard registration refund policy will remain unchanged, but every effort will be made to refund hotel reservation purchases that no longer apply.

### Cancellation of Event

In the unlikely event that the Conference is canceled entirely (rather than being converted to a virtual event), Show Management will refund any registration and hotel reservation purchases in full, and this refund (if any) shall be the full extent of Show Management's liability arising out of such cancellation. If you have not made any payments in relation to the Conference, then Show Management shall have no liability to you arising out of such cancellation.

# NEED HELP CONVINCING YOUR LEADERSHIP TO SEND YOU TO THE CONFERENCE?

Customize this request for approval letter, which will help administrators understand the value of attending the 2023 National ESEA Conference. You'll return to your district with great ideas, relevant information, and the resources you need to move your team forward to face new challenges.

Dear \_\_\_\_\_,

I am writing to request approval to attend the 2023 National ESEA Conference to be held both virtually and in Indianapolis on February 1-4, 2023 at the Indiana Convention Center. The National ESEA Conference is four days of learning and skill-building focused on supporting disadvantaged children. The Conference welcomes thousands of K-12 educators from across the country each year. This year's theme, "Lift Up!" creates a singular focus for all attendees on the unique needs of disadvantaged children and our ability to centralize support across all ESEA Programs. Formerly called the National Title I Conference, the event remains committed to sharing resources pertinent to Title I, as well as a host of other federally funded education programs addressing the needs of disadvantaged students.

Participants include state agency officials, school district administrators, school building leaders, and teachers – all gaining new knowledge, instructional strategies, and skills needed to transform student learning while positively impacting the future of our students.

As an attendee, I will participate in presentations from today's most inspiring leaders in education. I will receive important updates from the U.S. Department of Education about federal education funding issues and meet professionals who have taken significant steps to help students succeed.

Conference sessions are a combination of large group presentations with nationally recognized speakers, and smaller interactive workshops where I would have the chance to work directly with education experts. The new information that I will be able to share with the rest of our team will be extremely valuable. All of the Conference sessions are digitally recorded and each registration includes access to all session videos for three-months after the Conference. We can extend the learning to our entire group (and amortize the cost of attendance) by incorporating Conference session videos into our professional development activities.

The Early Bird registration price is \$629, until January 1st, when the standard price of \$699 takes effect. The complete cost of my attendance is listed below:

Registration:	_____
Transportation: (airfare, train, bus, etc.)	_____
Hotel fees:	_____
Meals: (not included with registration)	_____
Other:	_____
<b>Total Cost</b>	_____

Thank you in advance for your consideration. I believe that attending the National ESEA Conference will build my knowledge base to help students and team members. I look forward to hearing from you on this request as soon as possible.

Sincerely,
